

AWARD OF CONTRACT FOR:

**REQUEST FOR PROPOSALS to the Utah State Legislature
Redistricting Software and Support, 2010-02**

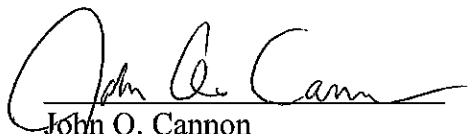

After reviewing the responses to the above referenced Request for Proposals and thoroughly analyzing and comparing the responses in light of the evaluation criteria set forth in the Request for Proposals, John Q. Cannon, Utah's State Liaison for the 2010 Census Redistricting Data Program has determined, pursuant to Utah Code Subsection 63G-6-408(6) that the responsible offeror who is most advantageous to the state, taking into consideration price and the evaluation factors set forth in the Request for Proposals, is Citygate GIS.

The results of the evaluation criteria are as follows:

CATEGORIES	POSSIBLE	CALIPER	CITYGATE GIS	ARCBRIDGE
SOFTWARE	65	44	53	27
SOFTWARE SUPPORT SERVICES	15	11	13	9
COST	20	20	18	18
TOTAL	100	75	84	54

Based on the analysis and criteria described above, the contract is awarded to Citygate GIS.

Dated this 3rd day of December, 2010.

John Q. Cannon
Utah's State Liaison for the 2010
Census Redistricting Data Program
